WORLD MATHS Championship

World Maths Championship Guide Book

Welcome

World Maths Championship is an Online Exam. Students can appear for it from anywhere, their home on a computer or a laptop or your school computer lab. There is no physical exam, so they don't need to go to any physical exam center.

Students of Grade 1 and Grade 2 can give a parent assisted exam, where parents can help them in clicking on the correct answer and with submission of exams, however do ensure answers are given by the student himself/herself.

Exam Dates: (student can opt for any one date while filling the form)

31st July 2025

18th August 2025

Time: Exam will be available for 24hrs on 31st July and 18th August (whichever date student opted), students can start anytime between those 24hrs, but once started the exam will end in its prescribed time limit of 1 hr.

Duration: 60 Minutes

Last Date of Registration: 27th July 2025 for 31st July Exam date and 17th August 2025 for 18th August Exam date

Result: Generally, the results are announced within 3 month's time of Last Exam Date

Eligibility: For Students of Grade 1-8

Exam Fee: US\$ 15

Mode of Exam: Online

Monitoring: Online proctored Exam

Number of Questions:

Grade 1 – 4: 35 Questions

Grade 5 – 8: 50 Questions

Study Material: There is no need to buy expensive books or study materials, all questions will be coming from existing academic curriculum/books of the students. Sample paper is also available on website. Plus we offer a mock test to students as well to get a better understanding of the exam.

Date of Mock Test: Date of Mock Test: 20th July 2025 00:01AM to 17th August 2025 11:00PM. A Mock test will be available between these dates for students to attempt, students can start anytime between these dates, but once started exam will end in its prescribed time limit of 1 hr.

How the Exam will be Monitored: Remember this is an AI Proctored exam, System will automatically terminate exam if unusual behavior is found.

What is unusual behavior in Exam?

Minimizing the browser. Resizing the browser. Opening a new tab. Opening a new program. Taking a screenshot. (Desktop). Pressing Ctrl + C. Pressing Ctrl + V. Pressing Print Screen. Pressing F12. Less visibility in the room. Face not clearly visible. Candidate left the seat. Side face found. Another person found. Mobile phone found.

Type of Questions: Multiple Choice Questions (MCQs)

How to participate/register for the World Maths Championship ?

Method 1. Registration done directly by Parents individually for each student. For this, plz click on the 'Register Now' button on website to pay and Register.

You need to pay US\$ 15 per student. Once paid you will be redirected to a form, where you can upload all student details and opt for exam date as per your choice. You will also create a password here, which will be required to login in your exam panel. As soon as you will register, you will get a welcome email from us, where you will get further details as well.

Method 2. School can send bulk entry for all students by downloading and filling their details in an excel file available on '[Bulk Registration for School](#)' button, and email it back to: contact@internationalspellbee.com. A combined payment link for all the students will be shared to school, which they can use to pay for all students in a single click. Once the payment is done a Registration form for students will be shared with the school, which they can send to students to fill up, choose the exam date to complete their Registration. Fee is US\$10 if there are more than 100 Students, else below 100 its US\$15.

Once the form is filled students will get a confirmation email and their account will be created. However their Username will not be active, they will be able to access it after 24hrs, post verification. Till then if they try to login, it will show 'username not found'

What syllabus is covered in the World Maths Championship ?

World Maths Championship Organization is conducting exams at international level covering boards like Cambridge, IB, Australian Board, AQA, OCR, Edexcel etc for class 1 – 8. Whatsapp: [+971 52 780 9450](https://wa.me/971527809450)

Email: contact@worldmathschampionship.com

we will get it fixed in no time.

I am unable to submit my exam/my form due to network issue/buffering or any other reason

Please reach out to us over email or whatsapp.

Whatsapp: [+971 52 780 9450](https://wa.me/971527809450)

Email: contact@worldmathschampionship.com

Can I give this exam over Mobile Phone?

Yes you can, but we will strongly recommend you to use Laptop/Desktop

Important Instructions about Exam

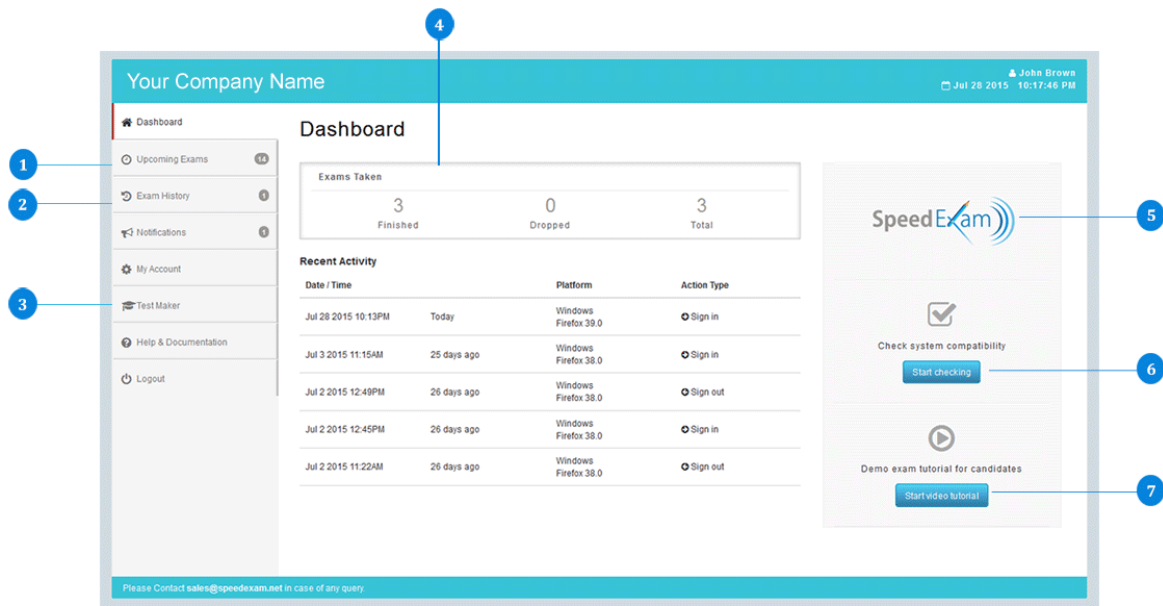

(PLEASE READ CAREFULLY)

1. The timer has been set for the exam, and a countdown will display the remaining time. When the timer runs out, the exam will end automatically. No further action will be required after that.
2. You can flag any question that you want.
3. If you don't want to submit any of your provided answers, you can clear them. You can move forward and backward between your questions.
4. If you choose to drop this exam, it will not be submitted, and no result will be generated.
5. Once you finish the exam, you cannot resume it.

6. Please use only Laptop/Desktop to appear for the exam, please don't use mobile phones as few functionalities will not work on mobile phones/tabs.
7. Please don't close or refresh the browser during the exam, else the exam will be terminated.
8. Please ensure no pop-ups/updates should run in the laptop background while the student is giving the exams.
9. In case of a power-off or internet failure, try to resume the exam from where you have left, if in case you are unable to do so, please reach out to us on: contact@internationalspellbee.com , we will try to reinstate the exam on the same day or give you an alternative date for the exam.
10. There is a triangle shaped play button in case of audio questions, you need to click them to start the audio, use a headphone to listen to the audio clearly. In front of audio there are 3 dots, please use those dots to increase or decrease the speed of audio, if required.
11. The questions will be either in MCQ format or Fill in the blanks format.
12. There are few trick questions with more than one correct answer, opting for any of the correct answer will give a +1 marks
13. There is no -ve marking in this exam.
14. If any question is incorrect, please inform us via feedback form at the end of the exam. We will add marks of that question to your result if you have opted for it.

About candidate dashboard

When your candidates sign in for the first time, very first page they see is dashboard. We've tried to provide easy, simple and clear interface for candidates so that they can focus on your content.

Here are the key features of the candidate site.

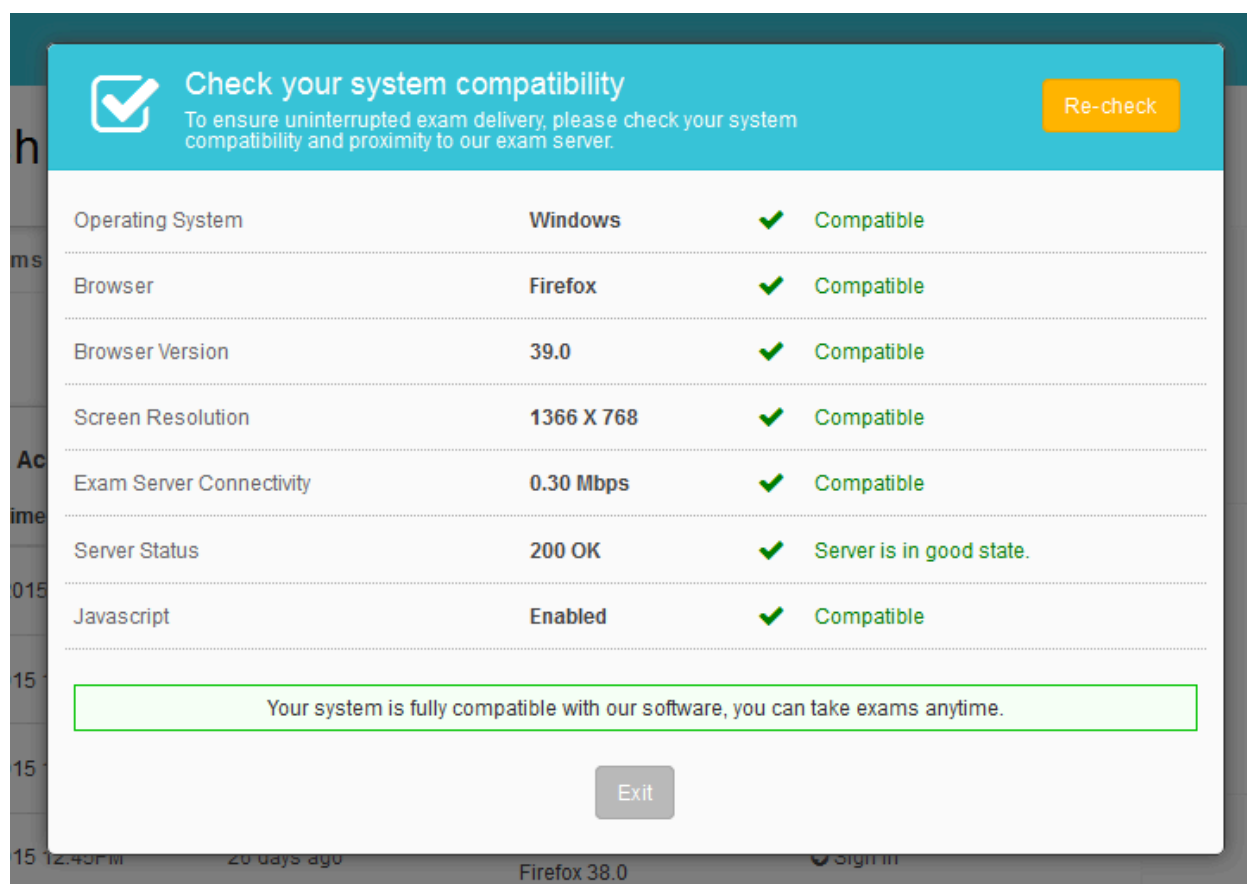

- 1. Upcoming Exams** - Here you can see the exams that are available to take.
- 2. Exam History** - You can see your past exams history (Score Reports) here. Also you can re-take exam from here if allowed by World Maths Championship Foundation.
- 3. Test Maker Software** - Not Applicable for our students.
- 4. Exams Taken Count** - You can see number of exams taken, completed and dropped here.
- 5. Logo** - World Maths Championship Logo.

6. System Compatibility - You can check system compatibility, to make sure your hardware and software requirements are compatible to this system.

7. Video Tutorial - Guided tour of your candidate site. This video will explain common functionality for using candidate site.

Before starting your exam (system compatibility)

From your candidate dashboard you can check system compatibility to ensure uninterrupted exam delivery.

Check your system compatibility Re-check

To ensure uninterrupted exam delivery, please check your system compatibility and proximity to our exam server.

Operating System	Windows	✓	Compatible
Browser	Firefox	✓	Compatible
Browser Version	39.0	✓	Compatible
Screen Resolution	1366 X 768	✓	Compatible
Exam Server Connectivity	0.30 Mbps	✓	Compatible
Server Status	200 OK	✓	Server is in good state.
Javascript	Enabled	✓	Compatible

Your system is fully compatible with our software, you can take exams anytime.

Exit

If anything which is not supported by this system, this utility will let you know in advance so that you can avoid interruption during your important exams.

Minimum System Requirements:

Supported Operating Systems - Windows XP, 7, 8, 8.1 & 10| Mac OS 8 & above. | Android 4.1 & above. | iOS 6 & above.

Supported Web Browsers - Internet Explorer 8 & 9 (**Limited support), 10, 11 & above. | Mozilla Firefox 24 & above. | Google Chrome 18 & above. | Apple Safari 5 & above. | Opera 20 & above.

Minimum Screen Resolutions - For PC & Mac 1024 X 768 & above | For tablets & mobile devices 470 X 320 & above.

*** Internet explorer 8 and 9 can not display custom themes & colors. Only default theme will be displayed.*

About taking exams (Upcoming exams)

The screenshot shows a user interface for 'Upcoming Exams'. At the top, there is a header with 'Your Company Name' on the left and user information 'Michelle Johnson' and 'Jul 29 2015 00:36:08 AM' on the right. A sidebar on the left contains navigation links: Dashboard, Upcoming Exams (2), Exam History (2), Notifications (0), My Account, Test Maker, Help & Documentation, and Logout. The main content area is titled 'Upcoming Exams' and contains a table with the following data:

Exam ID	Exam Name	Duration	Questions	
107	Demo Tutorial Exam	00:30	11	Take Exam
106	Simple Math Exam [M101]	00:30	10	Take Exam

At the bottom of the table, it says 'Showing 1 to 2 of 2'. A green arrow points to the 'Take Exam' button for the 'Demo Tutorial Exam'.

- You can see exams available to take.

- Your exams will be visible ONLY at the start time pre defined by World Maths Championship Foundation.

- Current time has been displayed at the top right corner so that you can look for your exam accordingly.

- Your exam duration timer will start once you see the first question on the screen. You can get complete time decided by World Maths Championship Foundation.

About exam screen themes (Default)

We've provided exam screens with deep research and experience, so that you can focus on the content, not on interface.

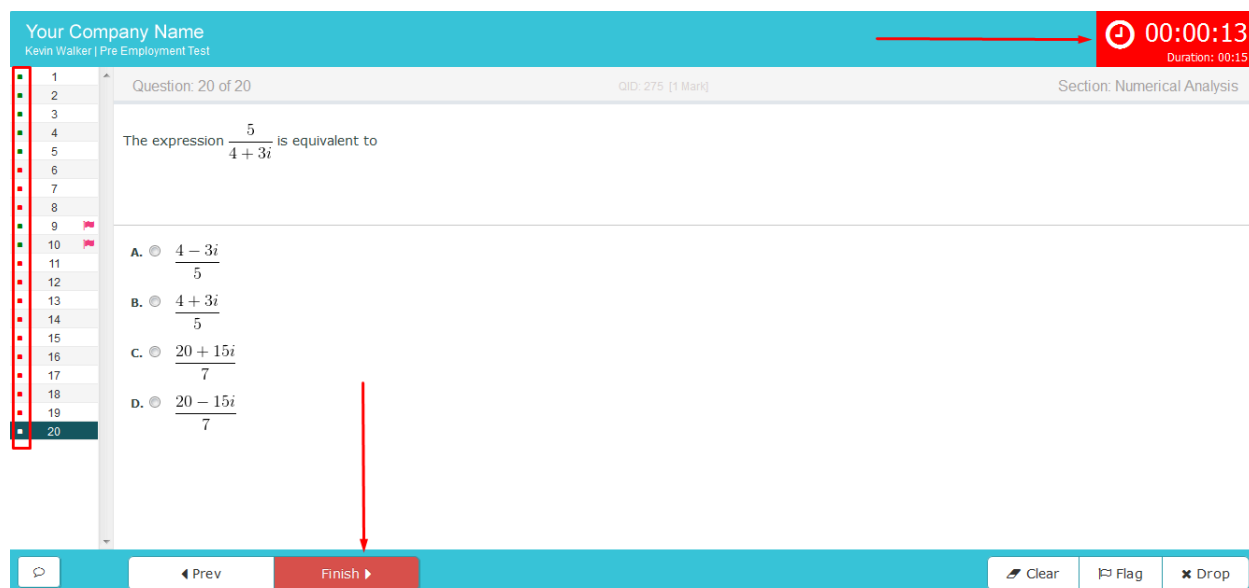

The screenshot shows a default exam screen interface. At the top, there is a teal header bar with 'Your Company Name' on the left, a timer showing '00:13:44' on the right, and a candidate name 'Kevin Walker | Pre Employment Test' in the center. Below the header, a question list on the left shows 'Question: 2 of 20' with a green box around it. The main content area displays the question: 'The expression $\frac{5}{4+3i}$ is equivalent to' followed by four multiple-choice options: A. $\frac{4-3i}{5}$, B. $\frac{4+3i}{5}$, C. $\frac{20+15i}{7}$, and D. $\frac{20-15i}{7}$. At the bottom, there is a navigation bar with buttons for 'Prev', 'Next', 'Clear', 'Flag', and 'Drop'. Numbered callouts (1-9) point to these elements: 1 points to the 'Next' button, 2 to the 'Prev' button, 3 to the question list, 4 to the 'Question: 2 of 20' text, 5 to the candidate name, 6 to the 'Section: Probability Theory' text, 7 to the 'Clear' button, 8 to the 'Flag' button, and 9 to the 'Drop' button.

Please have a look on the essential elements of the default exam screen.

- 1. Next Button:** To go next question, use this button.
- 2. Previous Button:** To go previous question, use this button.
- 3. Question List:** You can go to any question by clicking here.
- 4. Current Question (Navigation):** Showing current question out of total questions.
- 5. Candidate & Exam Name:** Showing candidate and exam name.
- 6. Section Name:** Showing section name.
- 7. Clear Button:** You can clear your response from here.
- 8. Flag Button:** You can flag (Review / Mark) question from here.

9. Drop Button: You can drop (cancel) an exam, use this button. Please note that once you drop the exam, you cannot take it back, if the time duration ends.

10. Feedback Button: To submit content related feedback to the World Maths Championship Foundation, use this button.(e.g. "This question has grammatical errors.")

When your exam duration is about to over and 60 seconds are remaining, the timer color will be changed like this and at the last question, you can "Finish" exam shown as above.

The color pallets on the question list (Left side) shows the status of the particular question as below:

Gray - This question is not seen yet

No pallet - This question has been seen and attempted

Dark Gray - This question has been seen but NOT attempted.

About exam history (results) and your score reports

You can see all of your **Exam History** here. Once you click exam name you can see number of attempts for that particular exam. Than you can click **Review** and see the detailed report for the specific exam attempt.
